Auditorium approx.
-940mm

℄

Drawing Note:
Auditorium sketched over scans of 1979 Auditorium Paper drawings, with measurements scaled from Paper drawings. Accuracy of any Auditorium shapes is questionable. Check all important dimensions on site prior to use.
NB: Auditorium is raked.

Web: www.justso.me.uk

Please Note
- Do not scale off prints.
- All dimensions in mm unless otherwise stated.
- Verify all critical dimensions on site prior to construction, especially stage rake.
- Drawing shows intent only; representing visual concepts and suggestions only.
- No liability is accepted for any action resulting from this drawing, however caused.

Spec Note's:

- Proscenium: 9.1m wide, 6m high.
- Stage Rake: 1:24 approx. to "hump" 7.3m upstage of Iron Curtain, then flat(ish) to rear wall.
- Refer to Technical documents for further information.

Notes:
This is Still a Working Drawing, not all details finalised...
